MEANS OF CHROMATOGRAPHY	)	

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

**REQUEST TO USE COMPUTER-READABLE SEQUENCE LISTING  
OF ANOTHER APPLICATION**

The sequence listing in this application is identical with that filed on July 31, 2003, in Application No. 09/632,627 (now U.S. Patent No. 6,677,440). Therefore, in accordance with 37 C.F.R. § 1.821(e), please use the computer readable form filed in that earlier application as the computer readable form for this application.

It is understood that the Office will make the necessary change in application number and filing date to the computer readable form.

A paper copy of the Sequence Listing and a copy of the Statement to Support under 37 C.F.R. §§ 1.821-1.825, filed on July 31, 2003, in Application No. 09/632,627,

are attached to this Request, as is a copy of the amendment to the specification in that earlier application submitted at the same time as the sequence listing.

One can see from the attached amendment in Application No. 09/632,627 that the sequences recited in that application are the same as the sequences recited in the present application. Accordingly, the undersigned further states that the content of the Sequence Listing being submitted and the computer readable copy of the Sequence Listing, submitted in accordance with 37 C.F.R. § 1.821(c) and (e), respectively, are the same. The undersigned further states that the content of the submission in accordance with 37 C.F.R. § 1.821(g), does not include new matter.

Please grant any extensions of time necessary to enter this Request. If there are any fees due in connection with the filing of this request that are not enclosed, please charge those fees to Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
